For Teachers, Health Professionals & Families

Nelle Frances – author, consultant, parent, educator, sensory guru....

Provides a detailed description of individuals with Autism/Asperger's Syndrome, including profiles on the neurology, biology, cognitive processing, perception differences and learning styles of those with AS.

You will learn specific techniques for dealing with challenging behaviours and meltdown and how to de-escalate situations with students and clients with AS.

The training includes Nelle's high-impact Sensory Detective® Workshop – an interactive exercise that allows you to look at Autism from the inside out! You will learn first-hand that the response to sensory stimuli influences all behaviour, emotional development and academic progress of those with AS.

OUTCOMES

- deep understanding of Autism/Asperger's
- in-depth knowledge of characteristics
- knowledge of common biological traits in ASD
- in-depth knowledge of physiology of meltdowns
- recognize sensory agitation
- link sensory issues + all behaviour
- ability to establish accommodations / differentiations

You'll learn how to become a 'Sensory Detective' to decode behaviour.

The day concludes with a look at iPad Apps across the curriculum.
